

Mellor Strata

22 passengers and up to 2 wheelchairs

Introduction

The Mellor Strata is the only Mercedes approved low floor Sprinter in the UK that provides 2+2 seating and space to accommodate 2 wheelchairs making it the optimal solution in the expanding small bus sector.

Working with and obtaining feedback from bus operators, the Strata has been fully engineered to meet our customers' needs. The vehicle is fully equipped for stage carriage activity with display equipment fitted as standard.

Continuing the Mellor philosophy of using lightweight components in a robustly engineered vehicle, the Strata offers class-leading performance and fuel economy of up to 22mpg.
